

## All of Those Eggs in One Basket?

Hello Dennis,

Summer is winding down, and now that your home projects are wrapping up this year, and you have taken several of those covid-delayed vacations, it is time to rest, recharge, and continue to firm up our financial wellness as we head into fall.

This newsletter is not only for those starting their first professional job, but to everyone in between who can continually build and refine their financial well-being.

Rome was not built in a day, and neither is having a strong financial house. Financial wellness is built one day at a time!

Thank you,
